

UNITED STATES PATENT AND TRADEMARK OFFICE  
Certificate

Patent No. 7,214,364 B2

Patented: May 8, 2007

On petition requesting issuance of a certificate for correction of inventorship pursuant to 35 U.S.C. 256, it has been found that the above identified patent, through error and without any deceptive intent, improperly sets forth the inventorship.

Accordingly, it is hereby certified that the correct inventorship of this patent is: Alan Bruce Montgomery, Medina, WA (US); Manfred Keller, Munchen (DE); and Frank-Christophe Lintz, Starnberg (DE).

Signed and Sealed this Twenty-seventh day of April 2010.
